To Whom This May Concern,

Children's Hospital of the King's Daughters is offering treatment with Elevidys to qualifying patients with a diagnosis of Duchenne Muscular Dystrophy. The total estimated cost to receive Elevidys treatment at our clinic is \$4,333,877.35. Please note that this price includes the cost of the medication in addition to associated procedures and infusion costs. Should you have any questions or concerns, please do not hesitate to reach out to our office.

Sincerely,

Tania Johnson, RN
Children's Hospital of The King's Daughters
Neuromuscular Clinic Coordinator
